

SERVICE DIRECTORY OPPORTUNITY

+ New Biological Medicine Service Directory

The new **International Biological Medicine Service Directory** helps peers and patients find your local services. The listing also adds to our cross-referral list for providing effective Paracelsus Clinic home care. *No directory fees!*

2021 will advance our **Biomedicine Academy Members** and Partner benefits. We want to include *YOU* and all of our Members in 22 countries.

Help patients and peers connect to find your services. When complete send the file to: t.cotter@swissbiomedicine.com

Use your WORD program to type the updated info into the boxes below.
